## **Century College Hosts “PrimeTime” Open House Sept. 20 for People 50 and Better**

Century College’s PrimeTime program will host an open house on Saturday, Sept. 20, from 9 a.m. to noon for adults 50 and better who are seeking new skills, careers, hobbies, interests and experiences. The event will be held on the East Campus Lincoln Mall.

Participants will have the opportunity to check out new classes, meet PrimeTime instructors and become a Century volunteer.

Century’s PrimeTime non-credit classes cover such topics as health and nutrition, painting and drawing, photography, self defense and karate, yoga, family connections, genealogy, Spanish language, beginning piano, beginning violin, personal finance, writing and Internet basics.

Century is one of 15 community colleges nationwide that has been selected to participate in a Plus 50 Initiative that will develop and benchmark models for innovative programs serving students over age 50. Because of its expertise in reaching out to plus-50 students, Century is one of five mentor colleges in the

project, which is funded with a \$3.2 million grant from The Atlantic Philanthropies and led by the American Association of Community Colleges.
