Century College VCT Portfolio Show Set for May 7

Century College's Visual Communications Technologies Department will host its 6th annual Portfolio show on Thursday, May 7, from 5 to 7 p.m. on the Lincoln Mall of East Campus.

Students in the Visual Communications program at Century will be displaying their work in video, multimedia, graphic design and photography. This show is the highlight of the students' year and represents an enormous body of work.

The public is invited to attend this free event, which celebrates our students' accomplishments and their future.

In addition, the VCT program is proud to announce the winners of the program's 2008-2009 high school photo contest. Over 72 entries were received from area high schools in Minnesota and Wisconsin. The winners are: first place, Andrea Sorenson of River Falls High School (won a \$500 Century scholarship); second place, Angela Lee of Tartan High School (iPod Shuffle); third place, Justine Heyers from Chisago Lakes High School (iTunes gift certificate.)
