Century Concert Band Reschedules Performance for Dec. 15

The Century College Concert Band has rescheduled its 25th anniversary concert for **Tuesday, Dec. 15, at 7:30 p.m. in the West Campus Theatre**. The original concert was canceled due to an electrical fire and power outage at the college on Nov. 20.

Admission is free.

The concert band was founded in 1985 as the Lakewood Community College Concert Band, and community members were invited to join. This community band has been making great music ever since.
