Century “Lights On for Safety” Event Sept. 25

Century College’s annual Lights On for Safety event will take place **Saturday, Sept. 25, from 9 a.m. to 1 p.m. in the auto shop on East Campus.**

Auto Service Technology students will perform a free vehicle light inspection. Burned-out headlamps and other exterior lights will be replaced in exchange for a cash or non-perishable food donation to the White Bear Lake Food Shelf.

Vehicles will be serviced on a first-come, first-served basis. No appointments are available.

Students will not be doing wiring repairs or socket replacements. Only burned-out bulbs will be replaced.

The Lights On for Safety event is sponsored by the Alliance of Automotive Service Providers of Minnesota in cooperation with the Minnesota State Patrol.
