## **Century College Seeks Outstanding Alumni Nominations**

Century College is seeking nominees for the 2011 Century College Outstanding Alum Award.

Nominees must be individuals who have attended Century College, the former Lakewood Community College or Northeast Metro Technical College. (Lakewood and Northeast Metro combined to form Century in 1996.) To be eligible, a nominee must have completed at least one credit class.

Century is seeking to honor alumni who exhibit qualities that will inspire current and former members of the Century College community. They must be nominated by someone other than themselves, and current employees of Century are not eligible for this award.

To nominate someone, please write a letter explaining how the nominee meets two criteria: excellence in his or her occupation and also service to the community. The award winner must be available to give a short welcome at the Century graduation ceremony at Aldrich Arena on Friday, May 13, at 7 p.m.

Please feel free to include any additional information that you think will aid the selection process. Send the completed letter to [Nancy Livingston](#), Executive Director of the Century College Alumni Association, at 651.779.3222, or mail it to her attention at Century College, 3300 Century Ave. N., White Bear Lake, 55110. Typical nomination letters range from 1 to 3 pages (250-750 words.)

Past award winners include Michele Leonhart, head of the Drug Enforcement Administration in Washington, D.C.; Michael O'Connor, engineering manager at Medtronic Inc.; Dr. Darryl Parks, Metropolitan State University professor, Brian LaCroix, president of Allina Medical Transportation, and Victoria Reinhardt, chair of the Ramsey County Board of Commissioners. This year will be the sixth year that the Century College Alumni Association has conferred this award.

**The 2011 Outstanding Alum award winner will be asked to speak at the Century graduation ceremony at Aldrich Arena on May 13.**

**Nomination letters should be submitted by March 28, 2010.**
