## **Century College to Hold Open House Tuesday, Feb. 22**

Century College, the largest two-year college in Minnesota, will host its annual open house for prospective students and their families on **Tuesday, Feb. 22, from 5 to 8 p.m. in the West Campus gymnasium**. All are welcome.

Century's \$20 application fee will be waived if you apply at our open house. Century faculty and staff members will be on hand to discuss the many opportunities that Century provides. In the current economy, Century is a great investment in the future. People are voting with their feet and attending Century in record numbers. **Summer session begins May 23 and fall semester starts Aug. 22.**

Century offers both short-term training through its [Continuing Education and Customized Training division](#), and longer-term, credit-based certificates, diplomas and associate degrees. Students often begin their higher education at Century and then transfer to a four-year institution to complete their bachelor's

degree. Others seek training that can help them enter the job market quickly. Representatives will be available that evening to discuss all of these options.

People also are invited to tour the campus. Century has an award-winning Science/Library Building on the East Campus and renovated computer labs and classrooms on the West Campus. Century's first-ever Student Center opens at the end of February on West Campus.

Whether you are a high school student looking for a quality education experience after graduation, or an adult looking for a new career or further training in your current career, Century offers something for you. Please visit Century, have your questions answered and see how investing in yourself is the wisest investment you can make.

For more information, please call the [admissions department](#) at 651.773.1700.
