Staged in Century’s **West Campus Theatre**, the evening also will include a participatory art project, photography exhibit and hosted dialogue.

Please join us for an evening of theater, art, conversation and even humor as we explore this growing problem in our community.

COLLAGE is working to raise social awareness of homelessness using the arts as a catalyst. Participating organizations include Century College, East Metro Women's Council, Lakeshore Players Theatre and the White Bear Center for the Arts. COLLAGE believes that awareness and knowledge are the primary steps toward change and solutions.

This activity is made possible, in part, by funds provided by the Metropolitan Regional Arts Council (MRAC) from an appropriation by the Minnesota Legislature.
